OFFICE OF THE REGISTRAR OF CO-OPERATIVE SOCIETIES IN MYSORE, BANGALORE.

Circular No. 1—*C. S., dated* 1*st July* 1938.

In the course of the inspections of some of the Urban Societies by the undersigned, it was noticed that "Bills for Collection" Registers are not being maintained by them and that cheques on other Banks, tendered by their constituents for realisation and credit of account, are being treated as cash and entered in the accounts accordingly, the entries being reversed in case of dishonour of the cheques concerned. This procedure is irregular and gives opportunities for the commission of frauds by the officials of the societies concerned. The Managing Committees of Societies are therefore hereby instructed not to treat cheques as cash and to open "Bills for Collection" Registers for cheques sent to them for realisation and credit of account and give credit of the amounts of the cheques to the accounts of the parties only after realisation. They are also informed that if they fail to carry out these instructions, they render themselves liable to be held responsible to make good any losses that may accrue to the societies by their negligence in this respect.
